Experiences **BEYOND** the books

at
Manchester University

Imagine a college where learning isn't confined to textbooks. Through experiential learning, you'll tackle real-world challenges, collaborate with industry leaders, and build the skills employers value most. Beyond the classroom, you'll embark on unforgettable adventures—whether it's exploring our vibrant campus community or engaging in global study opportunities. Manchester isn't just a college; it's a journey of discovery and growth.

MORE THAN
70
AREAS OF STUDY

Including our newest majors in nursing and nutrition sciences. Scan to see them all!

Learn firsthand.

Studying away is a rare opportunity to experience, understand and contribute to different cultures. Manchester University students have the opportunity to study away for a semester or full year, or for a shorter term during January or summer sessions. All study away programs count for full academic credit.

Connect with someone new.

It's easy to create close and meaningful relationships at MU. By learning about others' backgrounds and beliefs, you'll discover common ground and make lifelong connections.

3 REASONS
to get involved

1. Join one or more of MU's 40+ student clubs and organizations (like Esports!) and meet others who share your interests.
2. Clubs need leaders. You can be one.
3. You'll make friends for life!

21

NCAA DIV. III SPORTS

Continue playing the sport you love at the collegiate level! Spartan student-athletes are in it to win it!

Make it affordable.

We invest in you with generous scholarships and financial aid. In fact, a Manchester student pays out of pocket, on average, only 37% of the advertised annual list price.

(Code 001820)

Bring your music with you.

Anyone can audition for one or more of our instrumental or vocal ensembles, such as the Manchester Symphony Orchestra, which blends students, community members and professional musicians.

Whatever path you choose to take, you don't have to leave your music behind when you come to Manchester.

Experience pays off.

95%

Nearly 95 percent of graduates are employed, in further studies or in full-time volunteer services within six months of graduation!*

*Five-year average is 94.6 percent based on a 93 percent knowledge rate.
